Kelley McIntee

Colleen introduced Kelley from the American Lung Assoc. She is in charge of the tobacco cessation area. Some facts: 95% of smokers started using before they were 21.

25% will quit in the next 3 years.

3.9 Billion is spent in MN / yr on tobacco products and advertising. The market is promoting things like e-cigs, flavored products, all targeting the younger market. All have habit forming nicotine. Advertising is exploding on social media. This can be seen by location of products aimed at the youth, low income, under educated, and minority population. Use is up 25% in High Schools. The fight is not over. Why do we, as a people, have to 'make money' on these vulnerable sectors of society?

Amy Eich

Again, introduced by Colleen Maddox. Amy is in charge of Continuing Education for the Rochester School District. She had some handouts as well as verbally

explaining some of the many opportunities they provide to all ages (Cradle to the Grave). The office is something mandated by State Statute, so is all over MN with local and State funding. Go to the Rochester Public School web site to get complete information on descriptions and offerings.

Pancake Breakfast on Saturday May 5 at the American Legion. Please sign up for at least one shift and have a spouse or grand-kid sign up too. We need the Help!!

****Each member is expected to buy at least 1 book of tickets at \$40. (not a requirement of membership, but we want to stress importance)**

Del reports that the club's gas grill has been found! (I didn't know it was lost)

****Food for Kidz report was sent by email. This was a very successful year with over 170,000 food packets assembled and packed for shipping. About 250 people helped make it successful. This included over 160 Kiwanians, students, and some church groups. Great Job, Stewartville!**

****We sent \$195 to Mayo Key Club to assist in registration for their state convention.**

"Lexophile" describes those that have a love for words, such as "you can tune a piano, but you can't tuna fish", "To write with a broken pencil is pointless."

An annual competition is held by the New York Times to see who can create the best original lexophile.

This year's winning submission is posted at the very end.
